Final Note by the Minister for Law.

Subject.—

Proposal to fix the pay of the post of Government Director of Industrial concerns at Rs.1,000-50-1,200.

These papers relate to a proposal to fix the pay of the post of Government Director of Industrial Concerns.

The pay of the post of Government Director of Industrial Concerns has not been fixed and the officer posted to the charge has been permitted to draw his grade pay with a duty allowance of Rs.100 per mensem.

Mr. E.V. Ganapati Iyer, Deputy Commissioner, III class, was appointed as Government Director of Industrial Concerns, on 24th June 1940, and from that time, he has been drawing his pay of Rs.800 per mensem with a duty allowance of Rs.100. It is considered that Mr. Ganapati Iyer's emoluments are unduly low for the onerous duties he has been discharging. The concerns placed under his charge have been showing steady development and progress. There have been increased output and sales and the profits also have increased. expansion of activities due to war has thrown additional work o Mr. Ganapati Iyer.

The question of increasing the emoluments of Mr. Ganapati Iyer was considered at the meeting of the Council held on 26th November 1941 and the following resolution was recorded:-

> "The post of Government Director of Industrial Concerns will carry a pay of Rs.1,000-50-1,200 per mensem provided that, a Deputy Commissioner holds the post, he will draw an allowance of Rs.100 per mensem subject to a minimum salary of Rs. 1,000".

I solicit the gracious approval of His Highness to the resolution of the Council.
